INTERVIEW SUMMARY

Sir:

Pursuant to the requirements of 37 C.F.R. § 1.133 and M.P.E.P. § 713.04, Applicant submits this Interview Summary. This Interview Summary is a summary of the telephonic interview between Examiner Jeffrey J. Piziali and Applicant's representative Carl Sanders on June 19, 2008. Applicant respectfully requests that this Interview Summary be entered into the record of the above-referenced application. During the interview, the parties discussed a possible amendment to the claims replacing the term "determining" with "calculating." No exhibits were presented. The Examiner stated that the amendments may overcome the Delson reference, but further review of Delson, as well as additional searching, would be required. The parties did not reach an agreement.

CONCLUSION

Should the Examiner have any comments, questions, or suggestions of a nature necessary to expedite the prosecution of the application, or to place the case in condition for allowance, the Examiner is courteously requested to telephone the undersigned at the number listed below.
